PROFESSIONAL EXPERIENCE

Pokak Technologies Pvt Ltd

Aug 2025 - Present

- Worked as a Flutter Developer, building cross-platform mobile applications using Flutter and Dart.
- Developed responsive UI components, integrated APIs, and optimized application performance.
- Collaborated with cross-functional teams to deliver high-quality mobile solutions.
- Maintained clean, scalable, and reusable code following industry standards.

Ibirix India Private Limited

Apr 2025 - Aug 2025

- Developed and maintained web and mobile applications.
- Built responsive user interfaces and integrated backend APIs.
- Worked with databases, application deployment, and performance optimization.
- Collaborated with cross-functional teams to deliver scalable software solutions.

Eduzell Technologies Solutions LLP

Apr 2024 - Mar 2025

- Contributed to full-stack application development using Flutter, Spring Boot, and MySQL.
- Assisted in API integration, UI development, and database management.
- Participated in debugging, testing, and feature implementation.

PROJECTS

AISCatty – Pet Adoption Platform

Flutter, Firebase, Firestore

- Developed a pet adoption application connecting adopters with pet owners and shelters.
- Implemented pet listings, adoption requests, and user profile management.
- Integrated Firebase Authentication and Cloud Firestore for secure authentication and real-time data management.

MyAuth – Two-Factor Authentication Application

Flutter

- Developed a two-factor authentication (2FA) application similar to Google Authenticator.
- Implemented secure OTP generation and verification for enhanced account security.
- Designed a simple and user-friendly interface for managing authentication codes.

EDUCATION

Bachelor of Science in Physics

St. Aloysius College, Elthuruth, Thrissur

Higher Secondary Education

Vivekodayam Boys Higher Secondary School, Thrissur
